

# SHARE YOUR #SelfieForSafety

Join Rockford Systems in raising awareness of the importance of machine safeguarding. Anyone who values safety and uses metal-working machinery at home, school or work is invited to submit a picture of themselves standing next to their favorite machine. For every "Selfie for Safety" received, Rockford Systems will donate time and resources towards safeguarding area high school machine shops to bring them into OSHA CFR 1910 and ANSI B-11 compliance, as well as train the students on proper use. Let's see your "Selfie for Safety"!

## HOW TO PARTICIPATE

1. **Take a selfie** standing next to any metal fabrication machine (*at work\*, school or home*)
2. **Post your picture** on Rockford Systems' Instagram, Twitter or Facebook pages
3. Tag your picture **#selfieforsafety**
4. Get a **FREE t-shirt** by providing your fulfillment information\*\* on this link  
<https://www.surveymonkey.com/r/selfieforsafety>

As your partner in safety, Rockford Systems looks forward to promoting the safe future of American manufacturing

*\*Please check with your company's social media policy*

*\*\*Please allow 4-6 weeks for processing, while supplies last, limit one shirt per person*
